EMIRATES SOCIETY FOR
RHEUMATOLOGY

Welcome Message

Welcome to the Emirates Society for Rheumatology!

Dear Partners,

The Emirates Society for Rheumatology (ESR) is dedicated to helping rheumatology professionals provide the best possible care for those suffering from musco-skeletal conditions. Our members comprise the region's leading experts in the field of rheumatology, certified by internationally accredited medical bodies.

It is your collaboration and commitment to ESR over the last 9 years that have helped us to achieve better standards of rheumatology in the UAE.

I personally hope that this collaboration will continue in the next three years. The continuity of the relationship between you and the newly elected ESR Board over the coming 3 years will ensure the successful implementation of our strategic vision as we build upon the 4 pillars of previous achievements.

The ESR is committed to achieving medical excellence and improving the health care for patients with Rheumatic disease in the UAE and we achieve this through 4 principal areas of activity:

- Education of Health Care providers.
- Patient Education.
- Research.
- Partnering with Health Care Providers (Health governors, health authority, and insurance companies).

Dr. Jamal Al Saleh
ESR President 2021-2024
president@esr.ae

Working with ESR

Our current and planned activities include:

- Keeping members up to date with the global advances in rheumatology
- Maintaining the highest ethical standards for the practice of rheumatology
- Holding regular education and training courses to advance knowledge
- Supporting scientific meetings and conferences for rheumatology to promote latest best practice
- Encouraging greater dialogue between members to ensure the greatest possible sharing of expertise and research
- Providing the public with relevant information about rheumatology including locating qualified rheumatology specialists
- Advocating and supporting improved healthcare policies and promoting robust standards of care

Sponsorship of ESR Monthly Meetings

Each month, professionals from different cities in the United Arab Emirates gather to discuss and learn about new studies and research to improve their practice. International and national speakers are invited to share their expertise in Rheumatology. These meetings are accredited in the United Arab Emirates.

Companies active in the field of rheumatology are invited to sponsor one or several of these meetings to maximize their presence. As a sponsor, your company will receive powerful marketing resources and valuable exposure. These meetings are a key element for the success of ESR. Your presence and contributions enhance the overall scientific value of the event.
